

Southern Nevada Walk to Emmaus Emmaus Sponsor's Guidelines

Please read the instructions below and detach this page before you give the attached application to your potential pilgrim. You may make copies of the application if needed.

1. **Before giving this application to a prospective pilgrim, pray for God's discernment and guidance. Pilgrim's should already be baptized Christian, a member of a church and NOT in crisis.**
2. The sponsorship fee is \$125.00. **Make checks payable to Southern Nevada Walk to Emmaus.*
3. A \$10 non-refundable deposit must be submitted with the application in order to be processed. The \$115 balance will be due once the applicant is assigned to a walk.
4. Applicants and sponsors will be notified by mail / e-mail of their assignment to a walk.
5. Deadline for submitting an application for a particular walk is three weeks prior to the walk. Remember, it is much better to get your application in early so that you can begin collecting agape letters for the pilgrim.
6. You will receive a letter of acceptance from the registrar serving as your notification that your pilgrim has been selected to attend a walk.
7. As a sponsor, your ministry is much more than filling out this application, paying fees, and collecting agape. You are responsible for: 1.) **praying** for your pilgrim before, during and after the walk, 2.) **transporting** your pilgrim to and from the walk, 3.) **attending** sponsor's hour, candle lighting, closing and the Fourth Day Gathering, 4.) **caring** for your pilgrim's family during the walk, and 5.) **helping** your pilgrim find a reunion group.
