# PASTOR'S CORNER

Our Lord was crucified.

The ladies went to the tomb to anoint the body.

This was just before we read about the walk along the Emmaus road. The question that Mary was asking herself on there way to the tomb was who would remove the stone from the grave. Mark 16:3

This is a parable of our lives. We have many stumbling blocks that can keep us from our mission in life. We can ask ourselves what is our stone keeping me from working or doing the work of the Lord so we can get to our Walk to Emmaus.

So the question that is burning in my mind is who will roll away the stone. It was Jesus. Jesus did not secretly raise from the dead. His resurrection left clear evidence to the Truth of who he was and what he did.

Pastor Russell Marsh

Community Spiritual Director for the  
Southern Nevada Walk to Emmaus
